Expectations:

We have an exciting year ahead filled with challenging music and great opportunities to reach new audiences. Therefore, I have laid out these expectations for you to consider prior to your audition. With great opportunities come great expectations for all of us.

You are allowed 2 misses each for concerts 1 and 4. You are allowed 1 miss for concerts 2 and 3.

Extended rehearsals and dress rehearsals are mandatory.

Anyone in conflict with these expectations needs to discuss them with Jeff **prior** to your audition.

All music will be sent to you 30 days before rehearsing begins. You are expected to come to rehearsal prepared with all notes learned. Any singer not prepared will have 1 week to remedy the problem. Section leaders along with the director will make the determination.
